TITLE

000036274 - Adaptive SoCs & FPGA Design Tools - Licensing Solution Center

DESCRIPTION

The Licensing Solution Center is a resource to help answer any questions related to the Licensing and Installation.

SOLUTION

What type of product license help do you require?

Obtain a license for Free or Evaluation product

- **Free or Evaluation Product Licenses** - After completing the installation of Adaptive SoCs & FPGA Design Tools, the Vivado License Manager (VLM)/Xilinx License Configuration Manager (XCLM) will start automatically and guide you through the licensing process.

You may also go directly to the AMD Adaptive SoCs & FPGA Design Tools Licensing Site to obtain licenses for free or evaluation products if you decided to skip this step during product installation.
